

REPORT ON THE ACTIVITY OF DEPARTMENT OF RURAL HOUSING, EASTERN REGION-2024

Department of Rural Housing is one of the ten Decentralised department under the Eastern Regional Co-ordinating Council and its **core vision is to improve upon the housing environment in the rural areas to reflect on the level of development in the country.**

The following are the activities of the department for the year ending 31st December, 2024.

First of all, the department gave technical assistance to the following MMDAS/INDIVIDUAL.

- A. Construction of 2-bedroom semi-detached house using burnt bricks and local building material at Akavaya in the New Juaben South Mun.2no.
- B. Construction of farm house at Yesuso, mamfe-Akwapem road using burnt bricks.
- C. Construction of two-bedroom house at obortumpan.
- D. Construction of four-unit single self-contain at nyamekrom.
- E. Construction of 4-bedroom house at Osabene in the new Juaben North municipality.
- F. Renovation of 4bedroom self-contain at New Tafo Akim.
- G. Construction of 5no. bedroom house at water-works in the New Juaben North municipality.
- H. The Department assisted the people of Abrodiem with change of old eave gutters for individual household as part of technical assistance.

Secondly, the Department train 25 number various artisans on the job at the various building supervised.

Thirdly, the department went on a day working tour on the people of Abrodiem on the local building material (bricks) as well as plan on giving them technical support in the Suhum Municipality.

Lastly, the department had a community engagement and sensitisation program on the use of local building material to the elders and people from the following villages Ampetwe, Koko Junction, Adukura in the Suhum municipality and Nkurakan SDA church congregation.

CHALLENGES

1. Lack of staff
2. Lack of vehicle to assist in monitoring and extension of the sensitization programmes of the Department.
3. Insufficient allocation of funds to the department.

**COMMUNITY SENSITIZATION PROGRAMME AT KOKO JUNCTION, AMPEDWE
AND ADDOKURA COMMUNITY OF THE SUHUM MUNICIPALITY OF THE
EASTERN REGION ON THE USE OF LOCAL BUILDING MATERIALS**
